

BIOGRAPHY 2021

“**Scotch No Soda**” is a unique belgian blues-, jazz- and good old rock 'n' rollband.

These four experienced musicians create and perform their interesting music seemingly effortlessly.

With a profound knowledge and respect for the blues and other American (and British) pop music since the twenties, they succeed in bringing a contemporary set of party music.

“**Scotch No Soda**” is essentially a hard working, great sounding live band.

Singer – keyboardplayer Ilias Scotch' roots lay deep within the blues, rock 'n' roll and boogie woogie idioms.

In the year 2001 he was the youngest pianoplayer ever to perform at the famous Peer Bluesfestival.

Now his band, “**Scotch No Soda**” brings interesting interpretations and proper compositions inspired by a wide variety of american roots music, but always with a contemporary and extremely danceable feel to them.

Come on out and party, you won't regret it!
